

FILTERS, REGULATORS & LUBRICATORS

SENCO's assortment of filters, regulators, lubricators and gauges are chosen to satisfy the requirements of durability and reliability demanded by contractors. These Regulators & Lubricators and gauges will accurately replace the damaged component on all SENCO units as well as many other units.

1/4" FPT Miniature Regulator with Gauge

Item #
PC0656

- 1/4" FPT ports with 1/8" NPT gauge
- Maximum air pressure to 250 psig
- Maximum air flow 14 SCFM

1/4" FPT Regulator with Gauge

Item #
PC0653

- 1/4" FPT ports with 1/8" NPT gauge
- Maximum air pressure to 300 psig
- Maximum air flow 14 SCFM

3/8" FPT Regulator with Gauge

Item #
PC0657

- 3/8" FPT ports with 1/8" NPT gauge
- Maximum air pressure to 300 psig
- Maximum air flow 80 SCFM

1/4" FPT Filter/ Regulator with Gauge

Item #
PC0660

- 1/4" FPT ports with 1/8" NPT gauge
- Maximum air pressure to 150 psig
- Maximum air flow to 14 SCFM

3/8" FPT Filter/ Regulator with Gauge

Item #
PC0661

- 3/8" FPT ports with 1/8" NPT gauge
- Maximum air pressure to 250 psig
- Maximum air flow to 80 SCFM

1/4" FPT Filter

Item #
PC0655

- 1/4" FPT ports
- Maximum air pressure to 150 psig
- Maximum air flow to 14 SCFM

3/8" FPT Filter

Item #
PC0659

- 3/8" FPT ports
- Maximum air pressure to 250 psig
- Maximum air flow to 110 SCFM

1/4" FPT Micro-Fog Lubricator

Item #
PC0654

- 1/4" FPT ports
- Maximum air pressure to 150 psig
- Maximum air flow to 10 SCFM

3/8" FPT Oil-Fog Lubricator

Item #
PC0658

- 3/8" FPT ports
- Maximum air pressure to 250 psig
- Maximum air flow to 36 SCFM
- 1.4 oz bowl capacity

IN-LINE FILTER, REGULATOR & LUBRICATOR

In-Line Regulator

Item #

1/4" FPT X 1/4" MPT In-Line Regulator

PC0436

3/8" FPT X 3/8" MPT In-Line Regulator

PC0753

- Maximum pressure to 150 psig
- Regulate multiple tools from one compressor

In-Line Lubricator

Item #

1/4" FPT X 1/4" MPT In-Line Lubricator

PC0461

3/8" FPT X 3/8" MPT In-Line Lubricator

PC0754

- Maximum pressure to 150 psig
- Lubricate tools without leaving the work area

In-Line Filter

Item #

1/4" MPT x 1/4" FPT

PC0649

3/8" MPT x 3/8" FPT

PC0675

PRESSURE GAUGES

1/8" MPT Back-Mount Pressure Gauge

Item #

PC0057

- 1-1/2" diameter face
- Maximum pressure to 160 psig
- One per box

1/4" MPT Back-Mount Pressure Gauge

Item #

PC0051

- 2" diameter face
- Maximum pressure to 160 psig
- One per box

PROTECTIVE CAGES

Protective Cage Assembly

Item #

PC0752

With filter/regulator/pressure gauge

- Remote filter and regulator for on-site construction
- Ideal for multiple hoses from one compressor
- Durable cage protects filter and lubricator from damage
