Tool Carrying Case

PC0515

18-3/4" x 13-7/8" x 5-1/8" (M2+, M3+, SN325+, SN4, SN70)

Features:

- Cases are made of strong 20-gauge steel and are foam-lined to give maximum protection from impact
- Thermally-fused epoxy polyester powder paint resists scratches, chipping and rust
- Features include: heavy-duty nickel-plated drawbolts, vinyl-coated steel handle and a sturdy spot-welded piano hinge to provide years of tough service
- One drawbolt on each case has a padlock eye for additional security
- Plenty of room for carrying tool oil, safety glasses and a few strips of nails or staples

Note: Dimensions are internal. Included with each carrying case are self-stick tool decal designations for identification purposes.

Replacement Carry Cases for the Latest SENCO Tools

Carry cases are specially made for several of the latest additions to SENCO's tool line. These cases ensure convenience with special fastener compartments and pocket(s) for storage of miscellaneous items. Use only for the tools shown.
